

AFMA Nature-Based Stormwater Management Field Trip PaveDrain System Parking Lot at Franciscan Renewal Center

PaveDrain System at Franciscan Renewal Center

Recently the Arizona Floodplain Management Association (AFMA) started a Nature-Based Stormwater Management Committee. The intent is to provide more opportunity for professionals to share LID/GSI information, successes, failures, and lessons learned. AFMA is sponsoring an LID field trip to the Franciscan Renewal Center to see, discuss and test the PaveDrain system installed about 5 years ago (see above Feb 10th, 2023 photo). In addition, we will have a 1,000-gallon water truck available to put the PaveDrain system to the test (see YouTube video link, <https://youtu.be/NWPKYRQY70c>).

Date: April 28th, 2023

Time: 11:00 AM – 12:00 PM

Where: Franciscan Renewal Center,
5802 E. Lincoln Dr., Scottsdale, AZ
85253

Cost: Free

Please register on the AFMA Website (www.azfma.org), go to the Events Calendar. Last day to sign-up is April 26th, 2023

Take Note!

Bring your own bottled water.

Lunch after field trip can be arranged during the field trip. No box lunches will be provided.

Transportation to/from Franciscan Renewal Center is on your own.

Each person attending will be required to sign a liability waiver at the site.

Please arrive at least 10 minutes early.
